MOTH & MAGPIE

CATALOGUE 2026

Our olfactory memory can be incredibly strong, and associating a scent with your wedding can bring you back to your big day in an instant. Candles are fantastic for creating atmosphere and adding a sense of cosy luxury.

I offer a variety of options that would make amazing favours, bridal party gifts, or even unique save-the-dates, for an unforgettably fragrant occasion. I'll work closely with you to determine the perfect scent for your wedding, and custom-design beautiful graphics just for you.

All of my products are made in-house, providing a hands-on touch while maintaining a standard of high quality. I use top-grade sustainable materials, from vegan and parabens-free fragrance oils, to 100% plant-based wax.

Step Two: Fragrance

The most exciting part: finding your scent. I've carefully handpicked some favourite fragrances from my fragrance library, with options from classic florals to cosy woods. None of these sound right? Get in touch!

SWEET AMBER + VIOLET

Amber and violet create a mystical floral scent, with notes of lemon and iris.

ROSEBUD + PEPPERCORN

A classically romantic floral scent, married with a subtle kick of spice.

SPICED HONEY + SANDALWOOD

Sweet and smoky, a rich scent with notes of tobacco, honey, and amber.

CLEAN COTTON + WATER LILY

A beautifully fresh, clean accord featuring water lily, jasmine, and neroli.

CHERRY BLOSSOM APPLE + PLUM

Light and sweet as Spring, with blossoming florals and sweet fruits.

AMBER MUSK + VANILLA POD

A truly lovely creamy scent, featuring sandalwood and caramelised amber.

CASHMERE + CEDAR

A soft cosy scent, featuring warm woods, sandalwood, and vanilla.

HAZEL + JASMINE

A musky botanical fragrance, joined by bergamot, cocoa, and cedar.

CEDARWOOD + SOFT PINE

A fresh natural scent with fir balsam and pine, to transport you to a snowy forest.

MANDARIN + SANDALWOOD

Chocolate and caramel add a subtle sweetness to this refreshing zesty accord.

CROISSANT BAKERY

Step into a bakery filled with the scent of freshly baked buttery croissants.

ROSEWOOD + CASHMERE

Elegant and soft, with notes of rose, pear, sandalwood, and vanilla.

SPICED VANILLA

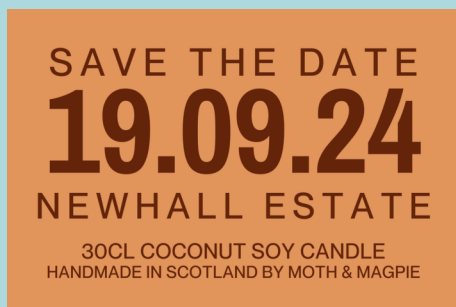

Creamy and warm, sweet vanilla combines beautifully with spicy embers and clove.

BERGAMOT + JUNIPER

A refined marine-based scent, with elegant sea botanicals and citrus.

Step Three: Labelling

To add that personalised touch, I'll design a custom label just for you. I can work to your specifications on this, and use colours and fonts from any existing graphics like your invitations.

All labelling and design costs are factored in as part of this service.

Wooden lids are included as standard, but if you'd like to pursue other packaging options (e.g. boxes) then I'm happy to source and quote these for you.
